

## AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings of claims in the application. Applicant has submitted a new complete claim set showing marked up claims with insertions indicated by underlining and deletions indicated by strikeouts and/or double bracketing.

### **Listing of Claims:**

1-27. (Canceled)

28. (Previously Presented) A transreflective display device, comprising:

a housing;

a display panel mounted in a first location in said housing, the display panel including first and second surfaces, the second surface being a non-viewing surface;

a transmissive reflector located behind said non-viewing surface of the display panel;

a diffuser for diffusing ambient light originating from outside the housing to provide diffused-ambient light inside the housing;

two or more devices for directing at least some of the diffused-ambient light through the transmissive reflector and the non-viewing surface of the display panel, the two or more devices forming sidewalls; and

a backlight mounted inside the housing behind the transmissive reflector for supplementing the ambient light directed to the rear portion of the display panel; the transmissive reflector being located between the backlight and second display panel surface.

29. (Canceled)

30. (Previously Presented) The display device of claim 28 in which the first display panel surface is a front viewing surface.
